Please call me at _____ to further discuss this opportunity.

Your gift is tax-deductible to the extent permitted by law. No goods or services were provided in exchange for this gift. Mansfield University is not affiliated with any foundation or private entity for fundraising or gift management purposes. All gifts received online at give.mansfield.edu and gifts made payable to Mansfield University will be accepted, administered, and retained by Mansfield University.

Mansfield University's time to shine is now! The University's enrollment has increased 9.5% since Fall 2018, charting our largest two-year enrollment increase. Mansfield University is at the forefront of shaping the future of higher education in the Commonwealth of Pennsylvania. Through emerging strategic partnerships and innovative approaches, we are empowering our faculty, staff, and coaches to think broadly and lead boldly. By expanding access to degrees and credentials infused by career pathways that support regional and statewide needs, Mansfield better prepares graduates for the rigors of both life and career. Your contribution reflects a personal investment in the people, programs, and facilities that make Mansfield University a special place for our Mounties to live and learn.

As we continue to make significant advances on campus and in the workplace, the value of a Mansfield degree grows exponentially. Mansfield is preparing first responders—nurses, police, and public safety officers—to serve on the front lines of a continually changing and challenging environment. Our students and faculty mentors are engaged in novel research in the natural sciences that advance our understanding of human diseases and the impacts of the environment on human health. We are developing leading-edge instruction through the use of virtual reality and partnering with technology companies to advance industry-university partnerships that advance our instructional mission. Mountaineer Athletics has established a new *playbook of excellence*, and our student-athletes are achieving new levels of distinction in the classroom and on the field of play. Additionally, our tradition of exceptional, gold medal performances in music continues to shine a bright light on the accomplishments of our students and the important role that Mansfield serves in supporting arts and entertainment in the Northern Tier.

We ask you—our alumni, fans, stakeholders, friends, and community members—to unite with us and invest in Mansfield's continued growth and prominence. When you give to Mansfield University, you empower current and future Mounties to *Dream Big* and provide the necessary support to turn these dreams into new realities. Unite with us today and invest in the future of Mansfield University.
